Vehicle Care Protection

CUSTOMER BENEFIT	BENEFIT DESCRIPTION
Coverage that Covers	Mechanical failures and roadside situations can result in costly out-of-pocket repairs and disruptions. Vehicle Care Protection offers coverage for these incidents not typically covered by vehicle warranties or your auto insurance.
Protection Beyond Repair	Purchasing a Vehicle Care plan helps shield you against the unexpected expenses of automotive mechanical failures and diagnostics charges.
Financial Peace of Mind	Vehicle Care Protection is the perfect complement to ensure your vehicle stays functional and road ready.
Emergency Roadside Assistance	Towing; flat tire change; emergency gas delivery; battery jump start; key lockout service
Rental Car Coverage	Provides assistance with substitute transportation while your vehicle is in service for covered repairs. Coverage up to $35 per day for a maximum of 10 days while repairs take place.
