Total Loss Protection

Losing a vehicle to theft or an accidental occurrence can be a person's worst nightmare. Not only is it a personal violation, it causes a significant financial setback!

Our Total Loss Protection will give you peace of mind and financial protection by providing you with a credit towards the purchase of a replacement vehicle. The replacement vehicle must be purchased or leased.

THEFT COVERAGE PROTECTION

- Both new and used vehicles are eligible.
- In the event your vehicle is declared a total loss, you can return to the original selling dealership and they will provide you with a credit of up to $2,500 or $5,000 (depending on plan purchased) towards the purchase of a replacement vehicle.
- The Fintiv Total Loss Protection Plan benefit is paid over and above any additional reimbursements that you may receive (such as a primary insurance settlement or G.A.P. coverage).

ADDITIONAL BENEFITS

The Fintiv Total Loss Protection Plan also includes a theft deterrent system (i.e. window etching or DNA labeling) that will enable your vehicle to be traceable by police.

A thief won't waste their time to steal a car that they can't turn around and sell. And a vehicle with a theft deterrent system renders the vehicle worthless!
